

# FRESH JUICES

**From Fruit to Juice As You Watch**

Get fresh! Nothing beats nature's nectars, extracted as you wait, for freshness and refreshment. CCI juice connoisseurs slice gorgeous oranges and squeeze them in our custom juice press... or extract the juice out of just about any other fruit or vegetable. Perfect for morning or summertime... or anyplace where people care about their health! Every sip is a crisp taste of clean living. Visitors will pause to watch and stay to drink - and talk with you.
